Fees

At Clapton Park, per Hackney Education policy, all payments need to be received 'in advance'. We expect payments to be made in advance, whether it be a week or a month.

Please note: it is the parent's responsibility to make payments and ensure that they are up to date with their fees. The Centre will contact parents when they are in fee arrears.

Failure to adhere to this will result in the suspension of your child's place after one week of non-payment and withdrawal of the place after two weeks of non-payment. Parents/Carers should make sure that the fees are paid at the beginning of each week and at the latest by Thursday morning.

Absence:

If your child will not be coming in due to sickness, holiday or any other reason, please call the centre and inform the office. When a child is absent from the setting without any explanation or a phone call from parents/carers we will do the following to safeguard the child:

First day of absence

We will call the parents/carers on the first day of absence to find out why the child is absent from nursery. If we are unable to speak to the parents/carers, we wait to see if the child attends the next day. If the child is known to Children's Social Care we will inform the Social Worker and ask them to follow up on the child's absence and report back to us.

Second day of absence

If the child is not known to Children Social Care and does not attend on the second day, we will call the parents/carers again in the morning, if we are still unable to contact the parents/carers, we will call the emergency contact or next of kin listed on the child's nursery file.

Third day of absence

If we still have not heard from the family by the third day in the morning, we will carry out a home visit. If we are unable to contact the parent/carer we will refer the family to FAST.

(This is stated in our Safeguarding Policy which you signed during admissions)

Spare Clothing:

As you are aware, the children are outside each day. Please make sure that they have adequate and appropriate clothing for the day. All children should have a spare set of clothes on their peg in case of emergencies. If your child is potty training please ensure that they have a lot of pants, bottoms and socks as well as wipes for any accidents.

Arrival Times:

If you are running late for any reason and are unlikely to arrive by 10:00am please call the centre and advise staff that you are on your way and lunch will be put aside for your child.

Collection Times:

A friendly reminder that our centre closes at 5:45pm. Please note when collecting your child that a £5 late fee will be charged for every 5 minutes past closing time.

Sickness:

If your child has a high temperature at home or you have been called to the nursery to collect them, you must keep them at home for 24 hours (after their last high temperature) before returning.

If your child has vomiting or diarrhoea at home or you have been called to the nursery to collect them, you must keep them at home for 48 hours (after their last bout of vomiting/diarrhoea) before returning.

27 months Development Reviews:

These integrated reviews take place here every month with a Health visitor and key worker. When your child is around 27 months you will receive an invitation letter to come along for their review. If you have any questions regarding these reviews please speak to Neilum or Ossila.

Dogs:

Please ensure your dog remains on a leash at all times and is not being brought into the garden or inside the centre. Not everyone is comfortable around dogs so please try to be mindful of this.

Buggies

When parking your buggies/bikes please ensure you use **all** the available spaces in the buggy park. As we have a lot of families that access our extended services, we urge you to avoid parking your buggies outside the office window unless all the spaces in the buggy park are occupied. This helps us to make space for additional buggies, as well as keeping the walkway clear.

Please be careful when parking your children's prams and bikes and be mindful of the other prams to avoid damaging them. We also encourage families to double check you have the correct buggy before taking it home, tying a ribbon or a tag to the handle can be a useful method for identifying your pram.

Due to spacing restrictions buggies should not be brought into the centre except for extenuating circumstances. If buggies have to be brought inside they should be parked to the side, out of the way and off the carpet.

Breakfast:

It is served between 7.45 am - 8.45 am and we provide a variety of cereals, fruit and toast. All children that have contracted times within that hour are entitled to breakfast.

We have a number of children with allergies and to prevent any reactions we ask parents **NOT** to bring their children in with any foods during breakfast times.

Creams (Nappy/Sun/Medicated/Other):

If you are bringing in a cream that you wish staff to apply on your child's skin a cream consent form must be filled out first before we can do this. If the cream has been prescribed by a doctor, you will need to fill out a healthcare plan with your child's key worker. **When bringing in creams please ensure they are new and unopened.**

Phones:

We have a no phones policy within the centre! Please avoid using your phones whilst waiting in the hall or in the rooms. If you must use your phone please go outside to do so.

Birthday Cakes:

If you would like to bring in a cake for us to celebrate your child's birthday with, that is absolutely fine. However please ensure it is a shop bought cake, brought in the box with the ingredients printed on it.

Library

We need your support to maintain our library as an inviting and organized space for everyone. Please kindly ensure that books are returned to their original spots and not left on the floor when taken out to be read. Your cooperation will help us create a welcoming environment for all.

Behaviour

We will not tolerate any verbal or physical abuse towards our staff or the families who access the centre. We strive to maintain a safe and respectful environment for children, families and staff. We ask for your cooperation in reinforcing the importance of respectful communication. Our staff are dedicated to your children's education and wellbeing, and they deserve to work in an environment free from hostility. Anyone displaying any bullying or threatening behaviour, or verbal or physical abuse will be told to leave the premises, and may have their child's space withdrawn.

Famly App

Please make sure you're regularly checking the Famly app for the latest updates about your child's day, including activities, meals, and nap times. It's also the go-to place for important messages, fee information, and upcoming nursery events. Staying connected helps us work together to give your little ones the very best experience!

Fun Day

We'd like to extend a heartfelt thank you to all the parents and carers who joined us for our recent Fun Day! It was a truly wonderful occasion, filled with laughter, creativity, and community spirit. Your support and enthusiasm helped make the event a great success, and we loved seeing everyone come together to create such joyful memories. Thank you for being a part of it!

Babysitting

If you require babysitting on weekdays from 6:00pm onwards, or on weekends, please contact:

- Simone Pembele 07956583461

Bikes

We kindly ask that you refrain from parking bikes and trailers near the gate or carpark entrances. This ensures safe and unobstructed paths for everyone.
